المؤتمر الدولي للاضطرابات النمائية العصبية،
والتدخلات العلاجية، والتعليم الشامل لعام 2026

Organized by:

In collaboration with:

Zayed University, Dubai – UAE

27–29 March 2026

SPONSORSHIP PROPOSAL

WELCOME

Maharat Learning Center has the pleasure to welcome you to **2026 International Conference on Neurodevelopment, Therapies, and Inclusive Education**.

Our Program is interactive, and our conference is one of the major events supporting Autism inclusion development in the region.

Dr. Hibah Shata, BDS, MSc, FDSRCSI
Conference Chairperson

The conference's aim is to achieve the following goals:

Advancing Innovation, Inclusion, and Evidence-Based Practice

This global conference brings together specialists from **ABA, Psychology, Speech Therapy, Occupational Therapy, Developmental Pediatrics, Early Intervention, Vocational Training, Rehabilitation, Inclusive Education, and Special Education Technology**.

Held in the UAE, the event highlights:

- Cutting-edge research
- Multidisciplinary collaboration
- Hands-on workshops
- Practical strategies for clinicians & educators

Future trends in AI and technology for neurodevelopment

Participation in this conference will be through lectures. Workshops will be held by experts within the field. The workshops will be in reference to disability rehabilitation, special education and information technology.

Conference Highlights

1. Multidisciplinary Scientific Program

A robust program featuring cutting-edge research and best practices in:

- Applied Behaviour Analysis (ABA)
- Psychology & Mental Health
- Speech and Language Therapy
- Occupational Therapy
- Developmental Paediatrics
- Early Intervention
- Inclusive & Special Education

2. International Expert Speakers

Keynote presentations by leading global experts in neurodevelopment, clinical practice, and inclusive education systems.

3. CME/CPD Accredited Sessions

High-value professional development sessions that offer continuing education credits for clinicians, educators, and therapists.

4. Interactive Workshops & Masterclasses

Hands-on learning on evidence-based interventions, assessment tools, behaviour support strategies, and clinical innovations.

5. Research & Innovation Showcase

Poster sessions, oral presentations, and technology demonstrations highlighting the latest advancements in:

- Early screening
- Diagnostic tools
- Therapeutic approaches
- AI and assistive technologies

6. Multidisciplinary Collaboration Hub

Dedicated spaces for networking and cross-sector collaboration among schools, clinics, hospitals, therapy centres, universities, and policy makers.

7. Inclusive Education Forum

Special panel discussions on:

- School inclusion
- SEN support systems
- UDL (Universal Design for Learning)
- Transition planning and community participation

8. Exhibition & Partner Booths

An innovation expo featuring:

- Therapy and assessment tools
- Educational technologies
- Health services
- Books and training materials

Target audience:

Professionals in ABA, psychology, speech therapy, occupational therapy, and developmental paediatrics.

Educators, school leaders, SEN coordinators, and inclusion specialists.

Healthcare administrators, therapy centre directors, and policy makers.

Researchers, university faculty, and postgraduate students.

EdTech/HealthTech innovators, NGOs, and community organizations involved in neurodevelopment and inclusion.

Activities and events accompanying the Conference:

- Workshops, Poster Clinic, Gala Dinner, Tour Dubai, Lunches and more
- Exhibition for specialized books, hardware and modern equipment and technology.
